NOW WHAT!

WHAT TO DO FOR THOSE WHO ARE NEWLY EVANGELISED

All those who run Life in the Spirit Seminars and Alpha Courses ask the same question: what do we do for them now? The modern parish needs to evolve to become a community of communities, providing faith formation groups which give people a sense of belonging and missionary outreach. The summer school will contain talks by well-known speakers as well as workshops, prayer ministry and Sunday Eucharist.

“The parish is not an outdated institution; precisely because it possesses great flexibility, it can assume quite different contours depending on the openness and missionary creativity of the pastor and community.”

Pope Francis, Evangelii Gaudium

Please bring a packed lunch each day. Tea & coffee will be provided.
Many cafes/restaurants in the area.
